10	30-12-2021	Page Industries Ltd.	PB	Management	Appoint Rohan Genomal (DIN: 06970529) as Director, liable to retire by rotation, from 11 November 2021	For	AGAINST	Rohan Genomal, 29, belongs to the promoter family. He joined Page Industries in September 2014 and was Head of Business Excellence before assuming his current role as Head – Strategy. He is a Bachelor of Science in Business Management, Babson College, USA. Although academically well qualified, we believe that he does not have sufficient experience to be on the board of a listed company, in particular as an Executive Director on the board. Further, we raise concerns over the excessive number of promoter family members on the board. The aggregate promoter representation is high with five promoters on the board, including Rohan Genomal. This may limit the company's ability to attract the right professional talent in its senior management team and on the board.	Marcellus Rising Giants Fund

Further, we raise concerns over the excessive number of promoter family members on the board. The aggregate promoter representation is high with five promoters on the board, including Rohan Genomal.
